JOINT SPEAKING

The brotherly feeling existing in Berea was made more evident Saturday night when the Republicans and Democrats of the town came together in the College Chapel to listen to the discussion of the issues by speakers representing both parties. The Rev. A. W. Hamilton, pastor of the local M. E. Church, spoke forcefully for the Republicans. The Democratic cause was represented by Dr. Arthur Yeager, Governor of Porto Rico and ex-president of Georgetown College. He gave a logical discussion of the situation, confining himself to constructive measures and refraining from criticism. Berea was fortunate in having the pleasure of hearing Governor Yeager. The Chapel was entirely filled and keen interest was made manifest by the repeated applause for both speakers.

PRESIDENT WINS IN KENTUCKY

State Gives a Democratic Majority of 15,000—Nine Out of Eleven Democratic Congressmen Elected.

Louisville, Ky., Nov. 8.—President Wilson carried nine out of eleven congressional districts in the state by a plurality of 15,000.

Charles Evans Hughes carried the normal Republican section known as the mountain parts and comprising the tenth and eleventh districts. Even though the G. O. P. sent many national speakers into the state, including two visits from Mr. Hughes, a tour by Colonel Roosevelt in the western end of the state, while Mr. Fairbanks, the vice-president, used a special train and made speeches in scores of towns throughout the territory or dark tobacco parts, the Republicans failed to make any noticeable gains.

They had figured that because of the close race between Stanley, who was elected Governor last year over Edwin P. Morrow, the Republican aspirant, by a few hundred votes, that their chances for carrying the state were splendid. Their calculations did not materialize and Kentucky again becomes a part of the "South" always solid for Democracy.

Judge Flem D. Sampson, Republican, of Harboursville, was victorious over Judge J. M. Robinson, Democrat, of Pikeville, in the race for the seat on the Court of Appeals bench from the Seventh District.

Judge Charles H. Bush, Democrat, was re-elected to the Circuit Court bench over Sam P. Truitt, Republican, in the Third Judicial District.

Democrats of the Fifth Kentucky District, which includes Louisville, were victorious at the polls, carrying the district for Woodrow Wilson by a majority of 700 and returning Swager Sherley to Congress by a majority of 1,275.

CHRISTIAN ENDEAVOR ANNOUNCEMENT

The meeting of the Christian Endeavor of the Union Church next Sunday evening will be led by James Faulconer. The topic is, "How to Be Strong." Heb. 11:32-40 and 12:24.

SIXTEEN BODIES RECOVERED.

Birmingham, Ala.—Sixteen bodies have been recovered from the Bessemer Mine of the Sloss-Sheffield Steel and Iron Company, where an explosion entombed 30 miners, and rescue parties fighting their way into the mine through masses of black damp gas virtually had abandoned hope that any of the 14 missing would be found alive. Two of those whose bodies were found had been killed by the explosion and the others had died from gas. The cause of the disaster not determined.
